Subject: PSC Website Comments:

Please do not grant Duke Power the rate hike they are requesting. It is difficult enough for us to pay for electricity as it is, especially in these hard economic times. Duke Power is a large company and has not done enough belt tightening. They need to look within more to cut costs. If Duke Power is granted this rate hike, I am afraid I will not be able to pay my electricity bill. I live on a fixed income.

Thank you,

Terri Lynch
